

Get ahead with our three-week Pre-Employment Training course

Our course will give you a foundation in the following areas: Basic IT, Employability Skills, Well-Being and coaching in Level 1 Maths and English.

Get ready for NHS entry level jobs in a variety of roles

» Access to NHS Entry Level Jobs

» Advice on career options

» Get a referral to access the NHS I Can training and employment pathway

» Subsidised bus pass available

»» Benefits of joining our programme:

By attending the Pre-Employment Training course, you will be ready for a referral into the **NHS ICAN** employment programme which creates a Fast Track to a future NHS career. It also gets you ready for other job roles with other employers and we can advise you on your options during the course.

We will be running our **PET course** monthly starting in **September 2024 to June 2025**. The course will comprise two days online training and three days face-to-face.

Venue details:

140 Alum Rock Road (behind the Methodist Church), Birmingham, B8 1HU

You can also get a referral to **Birmingham Adult Education Services (BAES)** for 1-week Basic Skills (Maths and English Level 1) course

»» **For further information and to book your place please contact:**
localemployment@loconomy.org.uk

Please specify whether you're interested in the PET 3-week training course or the BAES Basic Skills course
